OFFICE OF THE GOVERNOR

M E S S A G E

I am deeply honored to greet the officers and members of Basud Development Cooperative (BADEVCO) on their 50th Annual General Assembly this 18 March 2017.

Your golden anniversary this year silently bespeaks of your triumphant victories amidst your many trials and struggles. Like gold, you keep on polishing and upgrading your coop as it went through the 'same' blazing 'tests' of fire which we hope you continue burning as you widen your horizons.

Allow me also to congratulate you for taking the limelight as the leading cooperative here in Camarines Norte, and recently, as the 2nd largest cooperative in the Bicol Region. Yours is an admirable, extraordinary success story - from the third class municipality of Basud your then liliputian Basud Cooperative Credit Union, Inc. is now a gargantuan BADEVCO.

To the BADEVCO, may your exemplary achievements further motivate you to become more malleable in maintaining your stature as a beaming and resilient cooperative. We likewise challenge you to be extra ductile in stretching out your package of programs and services to best serve our 'kababayans' from all walks of life, so to speak.

On behalf of the Provincial Government, I encourage your continuous partnership with us in advancing our province's growth and development by empowering our constituents through our joint collaborative efforts and assistance.

God bless and more power!
