EDITORIAL

Spinagdiriwang natin ang ika-31 taong anibersaryo ng Linggo ng Kabataan (Boys and Girls Week) simula Dis. 7-13,2013 sa ilalim ng temang “Kahirapan, Wakasan; Karapatan ng Bata, Ipaglaban”.

Susog ito sa *Presidential Proclamation No.99* na nagdeklara sa ikalawang linggo ng Disyembre ng bawat taon bilang Linggo ng Kabataan. Binibigyan nito ng oportunidad ang mga kabataan na makibahagi sa mga gawain ng pamahalaan sa pamamagitan ng pagiging mga munting lingkod-bayan sa loob ng 7-araw.

Napapanahon ang tema ng okasyon ngayong taon sapagkat patuloy tayong nahaharap sa pandaigdigang krisis pang

-ekonomiya. Ngunit ang kahirapan ay hindi lamang kakulangan o kawalan ng materyal na bagay kundi kasalatan man sa mabuting asal at kalooban. Nag-uugat ito sa iresponsableng mga magulang; mga kurakot na opisyal ng pamahalaan; kawalang-malasakit sa kapwa, at iba pa.

Dahil dito, ang pagsugpo sa kahirapan ay hindi solong responsibilidad ng gobyerno lamang kundi ng bawat isang mamamayang Pilipino.

Isang solusyon ng pamahalaan dito ay ang de-kalidad na edukasyon lalo na ang K+12 program, maliban sa iba pang programang pang-edukasyon hanggang sa kolehiyo. Nakasalig ito sa pananaw na ang edukasyon ay susi na mag-aalis sa atin sa gapos ng kamangmangan at ka-

hirapan, at magbubukas sa daan ng kaalaman at pambansang kaunlaran.

Ipinatupad ang K+12 para makaagapay tayo sa mga katabing bansa na mataagal na panahon nang nagpapatupad nito. Hindi ito dagdag-pahirap kundi bawas-gastusin pa sapagkat ang dagdag na 2 taon sa hayskul ay 2 taong bawas sa kolehiyo.

Ang pagwakas sa kahirapan para maipaglaban ang aming karapatan sa edukasyon, at iba pa ay hindi lamang tungkulin ng aming mga magulang, ng pamahalaan, at ng pamayanan; kundi maging kaming mga kabataan man na makikinabang dito. Ika nga, bawat karapatan ay may katumbas na tungkulin.

Sa mga simpleng paraan ay makatutulong kami sa pagwakas sa kahirapan para mas madama namin ang saya sa pagtamasa sa bawat karapatan namin lalo na sa de-kalidad na edukasyon.

Simulan natin ito sa lalo pang pag-sisikap sa pag-aaral; masinop na paggastos at pagsantabi sa luho gaya ng mga mamahaling sapatos, damit, atbp. na hindi magpapataas sa marka natin sa klase kundi magpapataas lamang sa gastusin ng pamilya. Tumulong tayo sa mga gawaing-bahay para hindi na magbayad sa kasambahay; tumulong sa ekstrang hanapbuhay ng pamilya, at iba pa, lalo na sa mga araw na walang pasok.

Kabataan, tayo nang kumilos at makibahagi sa pagwakas sa kahirapan. Gamitin nating inspirasyon ang kahirapan para magpunyagi at magtagumpay-NGAYON NA.

Sumabay tayo at makibahagi sa pagkilos ng pamahalaan at iba't-ibang sektor na nagkakaisa sa adhikaing, ‘Kahirapan, Wakasan: Karapatan ng Bata, Ipaglaban’.

Sa mga kurakot na opisyal ng pamahalaan huwag ninyong nakawin ang aming karapatan at kinabukasan.

Para sa mga pabayang magulang, ‘wag n’yong iasa sa ibang tao at sa pamahalaan ang inyong responsibilidad na ipaglaban ang karapatan ng inyong mga anak na makalaya sa gapos ng kahirapan.

Empowering the Youth as Tomorrow's Leaders

The Provincial Government of Camarines Norte continuously leads the annual celebration of the Boys and Girls Week (BGW) every second week of December in its commitment to empower the youth by providing them their participation rights.

This year's observance of the 31st Boys and Girls Week from Dec. 7-13 was participated in by 87 students from both private and public secondary schools.

The most significant part of the weeklong activity was the election of youth officials who was chosen to hold either elective or appointive positions in the provincial and municipal levels.

The young officials assumed the posts of their respective counterpart officials after the turn over ceremony held last December 9. They were also given a briefing on the different functions and duties of government offices. The said event is a big help especially to students who aspire to become public servants someday.

The boy and girl officials had better knowledge and understanding on how the three branches of government accomplish their mandates—the executive, legislative and the judiciary. They had first-hand experience on handling legislative sessions and meetings; attending to clients needs, and other offi-

cial duties and responsibilities.

Through this event, the participants were able to show their confidence and willingness to serve the public. Just like any ordinary government officials; they conducted election campaign sorties where they showed their oral communication skills and convincing power.

The week-long event is filled with activities that somehow enhanced the youth officials skills and capabilities as tomorrow's leaders. These include visit to various government offices and on-site inspection to some provincial government's infrastructure projects.

As tomorrow's leaders, we, youth

Ano Ba ang Isang Tunay na Pinuno?

"To lead is to serve, to serve is to lead."

Ito ang mga katagang dapat nating tandaan. Ang pagiging isang pinuno ay isang mabigat na responsibilidad para sa isang indibidwal. Ang pamumuno ay hindi lamang basta simpleng pagpapapasunod sa mga nasasakupan, ito rin ay tungkol sa pagsunod natin sa kagustuhan at desisyon ng nakararami.

Ika nga, ang susi para mapasunod ng sinuman ang kanilang nasasakupan ay ang matutunan muna nila sa kanilang sarili kung paano ang sumunod.

Ang pinuno ay dapat nagtataglay ng mga katangiang kayang pamunuan at pasunurin ang nasasakupan sa maayos at epektibong paraan - matalino, may

tiwala sa sarili at sa nasasakupan, magaling makisama, maabilidad at may kakayahang harapin nang mahinahon ang anumang suliraning maaaring dumating.

Ang isang tunay na pinuno ay hindi lamang sariling kapakanan at interes ang iniisip. Gumagawa siya ng paraan para itaas ang moral ng mga nasasa-

kupan. Tumutulong siya para makamit ng bawat isang nasasakupan niya ang kani-kanilang mithiin.

Ang isang tunay na pinuno ay inaala-layan at inaakay ang kanyang mga nasasakupan para sama-sama nilang matahak ang pantay na daan tungo sa pag-asenso.

Ang isang mahusay na lider at pinuno ay nagsisikap na matutuhan ang sining ng pagsunod, ika nga, hindi natin maituturo sa sinuman ang mga bagay na wala tayong personal na kaalaman, kasanayan at karanasan.

Sa iyong sariling pananaw, ano ba ang isang tunay na pinuno?

Boys and Girls Give Joy to Inmates

By:

Kimberly Abcede (D.Q Liwag NHS)

Inmates in Camarines Norte Provincial Jail (CNPJ) were delighted with the visit of boy and girl officials last December 12, 2013.

More or less 80 youth officials participated in the gift-giving activity for CNPJ inmates. They were gladly welcomed by Girl Acting Provincial Warden Gerrylyn B. Capoy and her staff.

The young officials also prepared a short program to somehow give joy to detainees. They presented a mixture of intermission numbers which entertained everybody.

The said program that started with a prayer was followed by the singing of Lupang Hinirang led by Girl Social Worker Angelica P. Damiano.

Provincial Warden _____ gave the opening remarks while Girl Governor Cootauco delivered an inspirational talk.

The said CNPJ visit was highlight-

ed by the gift giving activity were boy and girl officials handed over assorted food and non-food items to inmates.

More than the material thing they received, the inmates said that they treasure most the time and efforts exerted by us, youth officials, who visited them.

Earlier, a short program was held where the top 6 youth board members gave an intermission number. This was followed by a videoke challenge; another intermission number from top 7-12 youth board members, and a group dance competition.

In return, the inmates actively joined in the videoke challenge and group dance competition where they showed off their artistic talents.

Moreover, young officials bought assorted handicrafts which were made by the detainees as souvenirs for their jail visitation.

The boy and girl officials also had a chit-chat with some inmates.

Through the casual conversation, most of young officials now believe that not all detainees were bad and hopeless people at all. The inmates want and try hard to become better individuals, and improve their selves not for their own good but for their families they love most.

The said activity ended with a short message from Girl Warden Capoy.

PAHINA NG KABATAAN

Ni: Klarck A. Tacalan

Ilang minuto na kayang naghihintay ang aking bolpen sa paggalaw ng nakatikom kung mga palad upang maitala ang mga kataga't salita na lalabas sa aking dila?

Ilang minuto na ring nakatulala ang aking mga mata sa kawalan habang pinagmamasdan ang hubad na katotohanan

Ilang minuto na ring akong lumilipad upang kumalap ng balita ngunit sa kasamaang palad, nakakalap ako ng wala.

Halika, samahan mo akong lumipad sa mundo - sa mundo ng realidad.

Sa aking paglipad, aking nasilayan na unti-unti nang kinakain ng gutom na lupa ang gasgas na kasabihang, "*Ang kabataan ang pag-asa ng bayan*".

Unti-unti nang nabubulag ang ilan sa kanila, isang dahilan upang hindi nila makita ang mailap na tuwid na daan tungo sa tunay na pagbabago.

Bilang matalino at rasyonal na kabataan, hindi tayo magpapadala bagkus ay sasalungat sa maling agos at madayang kalakaran ng mundo.

Sama-sama nating saksihan ang muling pagsikat ng haring araw mula sa silangan habang nagpapahinga ang bilog na buwan patungo sa kanyang himlayan. Kasabay nito, muling wawagayway ang ating Pambansang Bandila bilang hudyat ng pagbangon at muling pagbuo sa pag-asang nilamon na ng kumunoy ng kamangmangan.

Muli akong ibinangka ng alon sa isang paraiso ng oportunidad para sa aming mga kabataan na huhubog sa aming talino, kakayahan, potensyal, at madagadagan ang aming karanasan na maaring baunin sa paglalakbay sa tuwid na daan ng pagbabago at kaunlaran.

Tara!!! Halina't mag-alsa at kumawala sa rehas ng kahunghangan, maling kalakaran, at kumbensyonal na sistema.

Sa pagkakataong ito, muling ipinanganak ang lumalagablab na apoy sa aking mga kamay na magkakalat ng hiwaga ng dala kong panulat upang maisiwalat ang Artikulo ng Kasalukuyan, Ang Pahina ng Kabataan.

"The Little Chap Who Follows Me!"

By: Cassandra Orendain

A careful man I want to be;
A little fellow follows me.
I do not dare to go astray
For fear he'll go the self same way.

I cannot once escape his eyes,
Whate'er he sees me do, he tries.
Like me he says he's going to be;
The little chap who follows me.

He thinks that I'm so very fine,
Believes in every word of mine.
The base in me he must not see;
The little chap who follows me.

I must remember as I go
Through summer's sun and winter's snow,
I'm building for the years to be;
The little chap who follows me.

KARAPATAN NG BATA

Kahirapan sa mundo ngayo'y laganap na
Karapatan ng mga bata, inaabuso pa
Karapatan namin ipaglaban na
Kahirapan wakasan na.

Proteksyunan kami sa pang-aabuso
Na minsa'y gawa pa nila nanay at tatay
Ito ang nagkakaisa naming pagsamo
Nang unti-unting maghilom katawang may latay.

Paghihirap nami'y wakasan na
Para habang maaga'y malimutan ang abang sinapit
Tapusin na trauma at pananakit
Pagganti sa iba'y aming maiwaglit.

Bata man kami ngayon sa inyong paningin
Ngunit 'wag limuting kami ang susunod na lider
Potensyal namin paunlarin at pagningningin
Karapatan natin kilalanin at itaguyod.

TEENAGE LIFE

By: Jeremy Salcedo

If only they knew how hard it is for me.
I'm turning 16, the world I begin to see.
My friend began to change, right before my eyes,
And now they seem to laugh, and tell all sorts of lies.

They hang around together in groups of three or four;
The language they use...it isn't gentle anymore.
The kids that seem most lonely wind up in their pack,
And those that stand alone, they talk behind their back.

Somehow I feel rejected because I don't conform.
Those that step to their own beat don't seem
to be the norm.
I've watched a few just fade away with drugs
and alcohol;
And many more have given up, too many to recall.

Alcohol is an option for everyone in my school.
I've lost a friend to booze again; I will not be a fool.
These seem to be so open for everyone to explore.

If only I could make a difference, what
could I do or say?
I would go to school and try my best each
and everyday.
There is one thing I'd like to do before I graduate.
I'd like to touch them one by one before it's too late.
